Terms of Sale

By sending in a bidsheet, the bidder agrees to the terms of sale as stated below.

All bids to be per lot as numbered in the catalogue.

Bidders unknown to me are requested to send a deposit equal to 25 % of their bids. Such deposits will promptly be refunded, if bids are not successful.

I guarantee each coin to be genuine and as described in this catalogue, but claims of any nature or for any reason must be made within fifteen days from the receipt of the coins. No coins are returnable except by agreement with me.

No commission will be charged, but postage and insurance will be added to invoice.

Remittance must be made promptly after receipt of invoice.

All bids are entered as received, but such bids are requested in round figures. When identical bids are submitted, preference is given to the first received. Unlimited bids can **not** be accepted; a collector should place his highest bid for any lot that is urgently wanted.

The lots will be awarded to the highest bidder at a price based on the next-highest bid plus the usual advance. The usual advance amounts to

| | | |
|---------|-------------------|--------|
| 25c | for lots up to \$ | 5.00 |
| 50c | for lots up to \$ | 10.00 |
| \$ 1.00 | for lots up to \$ | 25.00 |
| \$ 2.50 | for lots up to \$ | 50.00 |
| \$ 5.00 | for lots up to \$ | 100.00 |
| \$10.00 | for lots up to \$ | 250.00 |
| \$25.00 | for lots over \$ | 250.00 |

This enables you to make **liberal** bids, since I **guarantee** to execute them **below** your figures to the extent stated in the previous paragraph.

The prices in the catalogue are my **estimate** based on current evaluations in the international markets for the indicated state of preservation. All descriptions are made conservatively and with care.

Additional information will be furnished upon request.

A list of prices realized will be sent free of charges to all successful bidders. Other parties may obtain a pricelist at the cost of \$1.00 to be sent with the order.

If a bidder wants to limit his purchases to a certain amount he may indicate first and second choice. Such bids will be executed with care and as the situation warrants.

The coins are on exhibit from March 1st 54 until the day before the sale at 10 Rock Lane, Berkeley, California. Upon request, and if time warrants, individual pieces will be sent for a short examination to known bidders. Such requests should be made as early as possible.
